## EXHIBITIONS

### **Perspectives**

05 to 09 December 2017

12 – 5pm

The work presented in this exhibition is by detainees from the Immigration Removal Centre, The Verne. Immigration removal centres are holding centres for foreign nationals awaiting decisions on their asylum claims or awaiting deportation following a failed application. IRC The Verne has approximately 600 detainees.

The detainees have access to the art room and work with art teacher Amanda Knight; some make work to send back to their families, some will have never created artwork before and many take the opportunity to deal with feelings they experience whilst detained.

b-side leads on the Dorset Place of Sanctuary project. This is a group of arts organisations and creatives based in Dorset who have come together to offer a welcome to anyone wishing to access the arts, particularly those seeking refuge.

## NEW OPPORTUNITIES AT B-SIDE

### Window Shopping

Would you like to exhibit work at Outpost?

We are offering opportunities for artists to create exciting installations or interventions in the window spaces of b-side HQ 'Outpost' in Fortuneswell High Street, Portland – a chance to present all sorts of ideas in any media. This rolling programme of street facing window displays will be promoted widely via social media as well as being viewable by residents and visitors to Portland.

We will be releasing details on how to take part soon – make sure you are on our mailing list or following us on social media.

# WELCOME TO OUTPOST...

It's been a very busy time at b-side with hundreds of wonderful proposals from artists dropping into our digital letterbox for our next Festival 08 – 16 September 2018. It's b-side's 10th birthday in 2018 and we have some special plans brewing to make the next festival the best one yet.

Outpost has been a hive of activity this year and this Autumn we are so pleased to be able to show the work of those who live and work on Portland – the newly formed Ten Shots photography collective and detainees from IRC The Verne. The b-side team would like to thank our Friends and volunteers for stewarding at Outpost, we simply couldn't open exhibitions for any length of time without them.

Over the next few months look out for events where you can meet some of the artists who will be making work for the Festival and we can't wait for our 'Window Shopping' project to kick off too. As always if you want more information just pop in and ask us or drop us a line we would love to hear from you,
